

Directions

From Gauteng

- Going in a northerly direction, travel on the N1 towards Polokwane.
- At the Kranskop Toll Plaza, take the left exit towards Modimolle and continue straight through Modimolle to Vaalwater.
- On the outskirts of Vaalwater, take a right-turn onto the R33 towards Lephalale for approximately 60 km.
- On the fringes of Lephalale, the R33 connects via a T-junction with the R510 - make a right-turn here and continue straight with this road.
- After continuing straight for more or less 35 km, make a right turn onto the R572 towards Gbblersbridge border post.
- Proceed on the R572 and **DO NOT** turn onto the Speculatie Road. Continue straight with the R572 and you will notice landmarks such as the Lephalala River as well as the Seleka Village on your right.
- Once you have passed the Seleka Village, keep going for another 12 km until you see the Palala Game Farm (Melbourne) signpost.
- Turn left onto the Heerenberg gravel road. After roughly 9 km, you will drive over the one-way bridge. From this bridge, continue for another 5 km until you reach Palala Boutique Game Lodge's main entrance gate on your right-hand side.

We are looking forward to your visit!
